

**A look behind the scenes
of puppet theatre**

Mini pop-up project

Seeing, hearing, feeling and exploring. A touch-and-feel meeting with characteristic puppet theatre figures.

Exhibition

This exhibition introduces visually impaired people to the magical world of puppetry.

Information

Documentation provided in braille, big letter and spoken text. Other interesting information available in the form of raised prints, films, music and a website.

Realisation

Illustrations: Elsje Zwart.
Concept and text:
Otto van der Mieden.
